Easter Sunday
16th /17th April 2022

Easter Blessing

May the Easter Blessing of Joy and Hope be with all your families at this time. It is wonderful for us to celebrate this Easter having been restricted so much with Covid 19. Let this be a time for a new beginning. The message of Easter is about Faith and Hope in the future. Let it be a time of renewal in our Faith.

During my first two years in the parish, I have the privilege of being with families for, Masses, Baptisms, Weddings, Communions and Confirmations. I have been with people in times of bereavement and anointed the sick, bestowing on them, the Lord's healing grace. I have been encouraged and strengthened in my faith as I witnessed the faith of people.

Let us always appreciate the Lord is with us in our worries and troubles, giving us hope each day.

May the light of the new Easter candle glow in all of our hearts.
