### **The Most Holy Trinity**

The relationships in the Holy Trinity are relationships of love. The reflection on this mystery today is not in terms of philosophy but of Christian living. The unity and harmony of the life in the Trinity is to be the aim of each community. Where love is, there God is. God's revelation of this inner life is for our salvation – a gift given in love. Our response can only be one of glory and praise.

In the Church one God is preached, who is above all things and through all things and in all things. Yes, certainly, above all things, as the Father, the first principle and origin; and truly through all things, that is through the Word, and finally in all things, in the Holy Spirit.
