**'The King of Kings'** is a silent film directed by Cecil B. De Mille in 1927. It is a religious movie about the last weeks of Jesus on earth, with H. B. Warner starring as Jesus. It was a production acclaimed by world-famed scholars, the press and the public in the U. S. and abroad, as the most ambitious presentation of the final years of the life of Jesus ever pictured on the screen. It was seen by over a billion people all over the world. De Mille claimed that the most important tribute to the movie he had ever received came from a woman who had only a few days to live. Her nurse wheeled her to a hall in the hospital to see the movie. After viewing the whole movie she wrote to the producer DeMille: **"Thank you sir, thank you for your *King of Kings*. It has changed my expected death from a terror to a glorious anticipation."** She shared the feelings of the good thief who heard the promise of Jesus: *"Today you will be with me in paradise."* Both of them were suffering, both expected death and both received new hope from the dying King of kings for only he could give them what he promised because he is God, the King of kings and Lord of all. — This Sunday, as we celebrate the feast of Jesus, the King of kings, and as his Calvary sacrifice is re-presented on our altar, let us approach our Lord with repentant hearts and trusting Faith in his promise of eternal life.

The Solemnity of Christ the King is not just the conclusion of the Church year. It is also a summary of our lives as Christians. On this great Feast, let us resolve to give Christ the central place in our lives and to obey His commandment of love by sharing our blessings with all his needy children.
