

St. Colman's Parish
4th Sunday of Lent
14th /15th March 2026

We need to allow Jesus to heal our spiritual blindness.

We all have blind-spots — in our marriages, our parenting, our work habits, and our personalities. We are often blind to the presence of the Triune God dwelling within us and fail to appreciate His presence in others. Even practicing Christians can be blind to the poverty, injustice, and pain around them. Let us remember, however, that Jesus wants to heal our blindness. We need to ask him to remove from us the root causes of our blindness: self-centeredness, greed, anger, hatred, prejudice, jealousy, addiction to evil habits, hardness of heart, and the like. Let us pray with the Scottish Bible scholar William Barclay, “God our Father, help us see Christ more clearly, love him more dearly and follow him more nearly” day by day.

We need to get rid of cultural blindness.

Our culture also has blind-spots. Often it is blind to things like selfless love, happiness, fidelity with true, committed sexual love in marriage, and the value of human life from birth to natural death. Our culture has become anesthetized to the violence, the sexual innuendo, and the enormous suffering in the world around us. Let us counteract this cultural blindness as, with His grace, we experience Jesus dwelling within us and within others, through personal prayer, meditative reading of the Bible, and a genuine Sacramental life.
